TERMS AND CONDITIONS OF SALE

The following terms and conditions of sale (these "Terms") shall apply to all products (and related services) sold, provided or supplied, whether domestically or internationally, by Diversified Technology Group, Inc. ("DITEK") located at 1720 Starkey Road, Largo, Florida 33771. The purchasing entity, party placing an order, and/or buyer shall be referred to herein as the "Customer".

1. ORDER ACCEPTANCE: Order(s) issued by Customer to DITEK are not binding to DITEK unless DITEK communicates its acceptance of such order(s) in writing (or through similar communications such as via an email sent by DITEK). DITEK reserves the right, at its sole discretion, to refuse orders. A minimum order of \$100 is required. Acceptance of Customer order(s) shall represent DITEK's binding agreement between DITEK and Customer. By placing an order with DITEK (and independently, by accepting product from DITEK), Customer agrees that the parties will submit to and be governed by these Terms. These Terms prevail over any of Customer's general terms and conditions of purchase regardless of whether or when Customer has submitted its purchase order or such terms. Fulfillment of Customer's order does not constitute acceptance of any of Customer's terms and conditions and does not serve to modify or amend these Terms.

2. ITEMS PURCHASED: Product purchased by and sold to Customer by DITEK, unless otherwise agreed to in writing by DITEK, shall be DITEK's standard products as specified in the order, DITEK's quotation or acknowledgement.

3. RETURNED PRODUCTS: Except as otherwise expressly provided in DITEK's Warranty Returns Policy, a return material authorization (RMA) must be obtained from DITEK prior to returning product to DITEK. Unless otherwise agreed by DITEK, returned product must be in the original and un-opened packaging, in saleable condition, and product must have an original invoice date not older than 6 months from return request. Product must be shipped freight prepaid to DITEK's warehouse at the address set forth above, and received within 60 days from the RMA approval date. Product returned without the appropriate return material authorization will not be accepted by DITEK and will be returned to the Customer. DITEK reserves the right to inspect product prior to authorizing Customer's return. Upon receipt of the returned product and confirmation that the returned product has an appropriate return material authorization and meets all conditions set forth herein for returned product, DITEK will issue a credit to Customer in an amount equal to the original billing price or current price of the product, whichever is lower, and reserves the right to charge a re-stocking fee to the Customer including by way of offset against such credit.

4. SHIPMENT/DELIVERY: Customer acknowledges that DITEK's shipping dates are estimates and are subject to change by DITEK. Unless otherwise agreed to in writing by DITEK, delivery terms shall be F.O.B. DITEK's shipping point. DITEK reserves the right to make partial shipments. Risk of loss or damage and responsibility to insure product shall pass from DITEK to Customer upon delivery to a carrier for shipment to Customer. Title passes to Customer upon delivery of the products at the delivery point. Any claims for shortages or damages suffered in transit are the responsibility of Customer and shall be submitted by Customer directly to the carrier. Shortages and/or damages must be acknowledged and signed for at the time of delivery. If products are held by DITEK for Customer at Customer's request or due to Customer's failure to supply shipping instructions, DITEK may invoice Customer for the full purchase price of the product and Customer agrees to make payment based on such invoice date. Product held for Customer by DITEK, for whatever reason, is held at Customer's risk and Customer shall reimburse DITEK for any insurance, storage or other costs incurred by DITEK.

5. PRICES: Prices quoted by DITEK shall remain in effect for the period stated in DITEK's quotation or acknowledgement, or, if none is stated, for a period of thirty (30) days after the date of such quotation or acknowledgement. If DITEK does not receive, within such time period, an unconditional authorization from Customer to ship product, but later receives such authorization, DITEK shall have the option to change the price

TERMS AND CONDITIONS OF SALE

for such product to the current price at the time of shipment. Prices do not include taxes, duties or charges imposed on the manufacture, sale, delivery, or use of the product. Customer shall be responsible for all such taxes, duties and charges.

6. PAYMENT TERMS: Payment is due in U.S. currency net thirty (30) days from the date of DITEK's invoice. Partial shipments of product will be invoiced and are payable as they occur in accordance with these Terms. Customer shall pay interest on all late payments at the lesser of the rate of 1.5% per month or the highest rate permissible under applicable law, calculated daily. Customer shall reimburse DITEK for all costs incurred in collecting any late payments, including, without limitation, attorneys' fees. In addition to all other remedies available under these Terms or at law (which DITEK does not waive by the exercise of any rights hereunder), DITEK shall be entitled to suspend the delivery of any products if Customer fails to pay any amounts when due hereunder or otherwise breaches any of these Terms.

7. BUSINESS INTERRUPTION AND DELAYS: DITEK shall not be liable or responsible for cost, expense or damage due to non-performance or a delay in performance where such non-performance or delay is due to causes beyond its reasonable control, including, but not limited to, natural disasters, acts of government, power failure, fire, flood, acts of God, labor disputes, riots, acts of war, epidemics, or material and transportation shortages. Shipping of product may be suspended for an appropriate period of time or cancelled by DITEK upon notice to Customer of the foregoing, but other DITEK and Customer performance hereunder shall otherwise remain unaffected.

8. EXCLUSIVE AND LIMITED WARRANTY:

DITEK's limited warranties, which are available at <http://www.diteksurgeprotection.com/sales-warranty-and-return-policies.html>, are the only warranties applicable to the sale of DITEK's products and the terms, conditions and limitations of such warranties are incorporated by reference herein. DITEK's limited warranties may be modified only by a writing signed by a duly authorized officer of DITEK. Customer assumes all other responsibility for use in combination with other goods whether supplied by DITEK or otherwise. Customer acknowledges that any technical advice furnished by DITEK with respect to the use of the products is given without charge and DITEK assumes no obligation or liability to Customer for the advice given or results obtained; all such advice is given by DITEK and accepted by Customer at Customer's own risk.

TO THE FULL EXTENT PERMITTED BY APPLICABLE LAW, DITEK'S LIMITED WARRANTIES ARE IN LIEU OF AND EXCLUDE ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WHETHER OR NOT THE PURPOSE OR USE OF THE PRODUCTS HAS BEEN DISCLOSED TO DITEK IN SPECIFICATIONS, DRAWINGS, OR OTHERWISE AND WHETHER OR NOT THE PRODUCTS ARE SPECIFICALLY DESIGNED AND/OR MANUFACTURED BY DITEK FOR CUSTOMER'S USE OR PURPOSE.

DITEK's limited warranty obligations are conditioned upon timely receipt of all payments in accordance with the payment terms specified herein. During the period any amounts are overdue from Customer, DITEK shall have no obligations under any of the limited warranties or any other provisions herein.

9. PATENTS AND COPYRIGHTS: Except as hereinafter set forth, DITEK warrants that products manufactured by DITEK provided hereunder do not infringe upon any valid U.S. patent or copyright in existence on the date of shipment.
